likely permanently burned into the skin. The right calf has similar burns on it.

It appears these terrorists know they are breaking the law but seem to believe they can hide in the anonymity these mostly silent and easily hidden weapons provide.

Also, there appears to be a relationship between these terrorists and many police agencies and other first responders.

Apparently I'm violating one of this cabal's edicts by not submitting to it or turning a blind eye to this terrorism. These freaks have repeatedly attempted to impose this cabal's edicts on me. They are religious and or political in nature. These are NOT legislatively enacted laws but created by this cabal of terrorists. Imagine a terrorist attempting to impose his cabal's edicts on you!
