NY Times on Cell Phones & Tumors

June 3, 2008

Today's *New York Times* features a column by Tara Parker-Pope on cell phones and brain tumors, "Experts Revive Debate Over Cellphones and Cancer." As of this afternoon, it is the most popular story (most e-mailed) on the *Times* Web site.

June 4

Parker-Pope's column is still #1 today —even beating out "New Hints Seen That Red Wine May Slow Aging," which is on this morning's front page.

New York Times, Tara Parker Pope, brain tumors,
