

THE TRUTH! About Product Laws

A Bridge over water St. Louis.

WHEN THEY PLAN FOR THE NEXT PANDEMIC

THINK LIKE THIS:

Could we prevent not isolating ourselves?

**THE ISSUE HAS NOT MOVED A MILLIMETER.
BUT THE DISTANCE IS INCREASING.**

**FIGHT BACK WITH THE INTERNATIONAL LAWS
WE AS COUNTRIES HAVE BOUND US TO.**

**Strengthen the bonds between yourselves.
Don't be self-destructive in front of a screen.**

WE NEED SAFE SYSTEMS.

See what's behind it.

ENGINEERING INCLUDES A CODE. A CODE OF HONOR.
