

Comments on Notice of Inquiry, ET Docket No. 13-84

August 14, 2013

We sleep within 12 feet of a meter installed last year and since installation I toss and turn all night. My heart races, my legs twitch, and my ears ring!

I can't take it anymore. The lack of sleep and my health are deteriorating rapidly. I want this RF emitting device off the house - now!

John Grieco
Simi valley, CA
