To FCC, to Whom it May Concern at this vital Hearing:

My name is Aranka Fisher, I am a former Architectural proj. manager, Designer and Artist, now Holistic health practitioner and teacher, am middle aged woman trying to survive in a WiFi high radiation world, many chem trails spraying toxic metals, unbearable toxic pesticides in our cities parks, air , food, water, soil, manmade chemicals are in everything, ,and the deadliest is Wireless Radiation devices and cell towers... now 5g is killing many people's health and mine too.

I have been suffering many health issues from a Cell Tower that was built only half a block from my home, in January 2016 against my knowledge or any advanced public notice warnings of any kind, no one from the City of Spokane's Planning Dept, council offices or the Telecom co. / owner of the cell tower (I think AT&T and T-Mobile) gave me or my neighbors any warning in writing or any hearings to oppose this dangerous wireless radiation emitting cell tower. From being erected in the center of a denselt populated neighborhood with 2 Public schools, a church, park and lots of children and homes.

I suffer from severe EH (electro hypersensitivity since 2016, have inflammation to my head and pressure in my brain and heart, sleep disorders , brain fog, memory loss , depression, hypersensitive, cant work properly, pain in my whole body randomly, have been to urgent care and the hospital in 2017 beacause I thought I had a brain tumor and going to have a heart attack.... from high blood pressure that all began with the installation of this cell tower...

I am extremely upset at how our former city's Mayor and Council members (in Spokane WA) have 'given' open access' to big TELECOM co's and Smart Meter manufacturers, to just force their deadly technology onto the ignorant, misinformed, deceived public for THEIR GREEDY self profiteering; they have NO concern about the HEALTH and SAFETY of the public and all life or shared the many scientific independent reports made about the deadly wireless 4g and 5G technologys And harm from Cell towers.

I and my whole city population and all life forms here, are being radiated 24/7 from the WIRELESS RF EMF smart meters, cell towers, 4g and since Feb 2020, we have 5G installed everywhere! On the

power lines and streets and city's water tanks, buildings, etc.
the electric poles are being replaced with enormous masts and up to 7 thick black power lines with many 5g cells on them , each telecom co. has its own 5g cells
this is absolutely frightening!

**I Am Completely Shocked That We, The Public In Amercia , Are Being Radiated And 'MICROWAVED By High Levels Of Wifi Radiation 24/7 And It Is Causing All Kinds Of Brain Disorders , Heart Issues, Immune System And Respiratory Disorders, Psychological And Neurological Disfiunctions, Respiratory, Etc. Many Alzeimers And Adhd And Add Issues .
I Have Breathing Issues, Since 2016 ,, And Many Other Health Disorders From Radiation Sickness.**

Please read the 10,000's of truthful and alarming global Scientific research , honest data , available on 5G and all this deadly wireless EMF technology. (being pushed on the planet by super greedy telecom co's.)

Now I have to move after 4 yrs. Of struggling to stay at a friends home and trying to stay at my home even 2 days or a week makes me very sick from cell tower radiation exposure.
So after 15 yrs. In my beleoved old Spokane home and all the gardens I made, the people I care for and my small natural wellness business , I am being forced to move, with little funds and dont know where I an go. Away from wifi and 5G wiring everywhere in WA state Idaho, oregon etc.
This is just unbelievably stressful and against our freewill or approval.
I am totally against all 3

I am totally AGAINST, please Do NOT approve the 3 ISSUES YOU ARE VOTING ON ...
there is no Safe exposure to RF wireless Radiation it is heating up (microwaving) the planet, and all LIFEFORMS' CELLS, that make up their Body (cells are truly smart, have a speific program of their own natural healing and wellbeing, ability to self heal, have memory)
all life forms need to live free, in a natural healthy planet, in a scalar wave natural energy in harmony.

Please approve things like fiber optics and NOT more wireless technology.

**Most of Earth life ...will die if this wireless technology EMF, RF, Radiowave
Microwaves and 5G continues ...to destroy the living cells and their functions and wellbeing**

Thank you for your time. I truly appreciate it. much Love and Light to awaken you all, and to help you see the truth of what wifi radiation is doing to destroy Earth l;ife forms brain and other cells and fast.
