AFFIDAVIT OF CATHERINE MORGAN

State of Greater Manchester, England

Britain

I, Catherine Morgan attest that my statements are true to the best of my knowledge.

Comment round for ET Docket No. 03-137 and WT Docket No. 12-357.

1. My name is Catherine Morgan. My address is 32 Fenton St, Rochdale, Greater Manchester, England
2. I am an Adult Educator and Web Designer.
3. I experience discomfort when in proximity to wireless networks. This includes headaches, inability to concentrate and increased stress levels.
4. I am concerned for my own health and that of others, particularly children
5. RF safety rules are inadequate because they are based on physics theories rather than direct biological studies. Mounting evidence points to side effects that were not initially identified or considered. The risks of proceeding without additional studies and investigation are unacceptable.

Respectfully submitted by

Name: Catherine Morgan
