MW? means unknown, not absent.
No dish presence confirmed in this review.
A microwave license alone would not prove a dish is currently installed.

Home reference: 368 SW Squire Johns Lane, Palm City, FL 34990 (property-listing coordinates).

Sources: TowerDex FCC-ASR-derived locations; Realtor.com home coordinates. Microwave equipment not verified.

Site 4: conflicting public status listings. Map includes listed structures; it does not confirm construction or active transmissions.
